Note: Calculation of the time difference in team events:

The start time difference for each team is calculated by converting the number of points behind into time. Each point behind is equivalent to one second; a team 60 points behind will start with a time difference of one minute.

Wave:

To prevent too large start time differences, the Jury can decide upon the use of the "wave start". At the end of the Cross-Country race, the actual time difference after Ski Jumping will be adjusted accordingly.

Legend:

**	Wave Start	=	Equal sign indicates that two or more athletes share the same rank	Diff.	Difference
DNF	Did Not Finish	DNS	Did Not Start	DQB	Disqualification for unsportsmanlike behaviour
DSQ	Disqualified	LAP	Lapped	NPS	Not Permitted to Start
